Location: Toulouse, France

Email: awranawu@gmail.com

Phone: +33 6 32 62 74 84

PROFILE & OBJECTIVE

Engineering student at ENSEEIHT, driven by a strong passion for scientific research and applied mathematics. Equipped with an analytical mind forged by excellence in competitive mathematics, I am seeking a laboratory internship to contribute to innovative projects linking fundamental theory to physical applications.

SKILLS

Fields of Expertise

- Applied Mathematics
- Quantum Physics
- Electromagnetism
- Electronics

Programming & Tools

Python | C | C++ | SQL

SOFT SKILLS

- Analytical rigor
- Complex problem solving
- Perseverance and resilience
- Adaptability & stress management

INTERESTS

Gymnastics: Regular practice of a demanding sport cultivating discipline, balance, and resilience.

EDUCATION

Master's Degree in Engineering - 3EA Department — **2026 – Present**
INP-ENSEEIHT, Toulouse, France
Specialization in Electronics, Electrical Energy, and Automatics.

Preparatory Classes for Grandes Écoles (CPGE) — **2024 – 2026**
Mediterranean High School of Tetouan (LYMED), Morocco
MP Track (Mathematics and Physics). Intensive preparation for the highly competitive entrance exams to French engineering schools.

High School Diploma in Mathematics Sciences B — **Graduated in 2024**
Mohammed V High School, Casablanca, Morocco

WORK EXPERIENCE

Mathematics Tutor — **2021 – 2024**
LES EXPERTS Tutoring Center, Casablanca, Morocco
Provided mathematics tutoring and academic support to middle school students.

AWARDS & HONORS (MATHEMATICS)

Pan-African Mathematics Olympiads (PAMO) — **2024**
South Africa
Member of the Moroccan National Team. Won a **Gold Medal** and a **Silver Medal**.

Asian Pacific Mathematics Olympiad (APMO) — **2024**

- Participated with the National Team.
- Awarded an **Honorable Mention**.

GTF Star Program — **2023**
Global Talent Fund
Participated in and completed this excellence program aimed at supporting young scientific talents.

Regional Mathematics Olympiads — **2021**
Casablanca-Settat Region, Morocco
Ranked in the **Top 5** regionally, the first step in the selection process for the national teams.

CIVIC ENGAGEMENT

Olympiads Department Member — **2023 – Present**
Maths Maroc Association
Active involvement in mentoring and developing competitive mathematics skills among young talents.
